Can someone please send me the current version of the package so I'm sure he's reviewing the right thing if/when he does review?

Hi all,

Ex. 5 AC/DP

I remain available to assist, and would ask to be contacted if any schedule challenge so that I would be able to facilitate a discussion in advance with Matt/Justin and David/Wren. And of course others in ORC also are available to assist.

Thanks all,

Jim
